

Fruitful Harvest – Ways to Give

Pledges

Prayerfully consider participating at a sacrificial gift level spread over 20 months. This is the easiest and most convenient way to give more to help our Church. Please consider the following gift payments:

- ◆ Twenty month pledge of \$500 per month (less than \$17 per day)
- ◆ Twenty month pledge of \$250 per month (less than \$9 per day)
- ◆ Twenty month pledge of \$125 per month (less than \$5 per day)
- ◆ Twenty month pledge of \$50 per month (less than \$2 per day)

Please complete your pledge card in the spirit of prayer, generosity, and Christian stewardship. No gift is too small when given from the heart. The first statements will be sent in January, 2017.

Gifts of Cash (Checks)

If you plan to write a check from a trust then you may make a one-time payment for the entire gift amount to fulfill the pledge. Please make checks payable to Fruitful Harvest 2016 and note St. Alphonsus Parish in the memo section.
