

# School Lunch for the Children

THANK YOU! THANK YOU! THANK YOU!

**The “School Lunch for the Children” program  
has reached its goal because of you!**

The 300 children at our Twin Parish School, St. Anthony of Padua in Croix Fer, Haiti, will have a hot lunch at school for the 2018-2019 academic year.

Our entire Parish Family participated in the lunch campaign. For the second year the Religious Ed. children, grades 1-5, filled up ‘lunch boxes’ with coins to join in the effort.

Our Youth Group, middle school through high school, joined us this year in filling ‘lunch boxes’ as well.

Our parishioners, for the fourth year in a row, continued to provide for the school lunch needs of our twin parish school.

It was truly an effort of our ENTIRE PARISH FAMILY!!!

Your generosity and care for our Haiti Twin Parish is remarkable and greatly appreciated!

Thank You!
